II. Low Income Subsidy (LIS)

LIS is a program of the Social Security Administration. It helps pay for premiums, copays, coinsurance and deductibles for Medicare Part D (prescription drug) plans. If an applicant is eligible for LIS, even if they don't have a Part D plan yet, they must use that program to pay for medications before using LA HAP.

Type of LA HAP Applicant	Type of Proof Accepted
Doesn't have Medicare and isn't eligible for Medicare	Not eligible for LIS; no LIS application or documentation needed.
Has Medicare or is eligible for Medicare; enrolled in a Medicare Savings Program (MSP) such as Qualified Medicare Beneficiary (QMB), Specified Low Income Beneficiary (SLMB) or Qualifying Individual (QI)	Automatically eligible for LIS; no LIS application or documentation needed.
Has Medicare, applied for and is receiving LIS	No LIS application or documentation needed. LA HAP staff may contact applicant if they aren't able to verify LIS status with Medicare.
Has Medicare, applied for LIS and is waiting for decision	Application submission receipt dated within current calendar year
Has Medicare; applied for LIS within past 12 months	LIS denial letter dated within past 12 months

III. Insurance

Most people don't need to submit additional documentation of insurance. You must submit a premium statement, invoice, or coupon booklet for your insurance plan ONLY IF all of the following are true:

- You are asking LA HAP to pay your insurance premium
- This is the first time you have asked LA HAP to pay this premium
- The insurance plan is a Marketplace plan or other individual, non-employer plan
 - *If you are asking LA HAP to pay the premium for an employer-based plan, LA HAP will contact your employer to get your premium information. **LA HAP will not share any information about your health status with your employer.***
