## Emergency Preparedness Information from LA HAP

**As hurricane season approaches it's important to remain prepared in the event of an emergency. Hurricane season begins June 1st and lasts through November 30th.**

**The LA HAP team has created the LA HAP Emergency Preparedness Guide designed for LA HAP clients to use in the event of an evacuation due to a hurricane or other emergency.**

**The LA HAP Emergency Preparedness Guide can be found [here](#) and at the new "LA HAP & Emergency Preparedness" ribbon on [www.lahap.org](http://www.lahap.org). Spanish translated version coming soon!**
