

2023 Federal Poverty Guidelines

Also available at <https://aspe.hhs.gov/poverty-guidelines>

The federal poverty guidelines are updated each year by the Department of Health and Human Services.

LA HAP uses Modified Adjusted Gross Income (MAGI) to determine income eligibility and bases household size on tax filing status.

Household Size	Annual Income per Federal Poverty Level (FPL)					
	100%	138%	200%	300%	400%	500%
		<i>Maximum Income for Louisiana Medicaid Eligibility</i>				<i>Maximum Income for LA HAP Eligibility</i>
